

Bench Seat: Euro

The Euro is a strong, durable seat with a strong modern European influence. Manufactured in tubular aluminium with timber slats, the Euro has been ergonomically designed to give a comfortable seating position.

All seats have been designed to give optimum strength and durability. The Euro is made of the highest quality imported Kwila, suitably seasoned and treated with a double stain and high quality clear coat for durability and enhanced natural appearance.

- Dimensions**
- Seat height: 455mm
 - Seat length: 1750mm
