

# Bench Seat: Phoenix

The Phoenix is simple yet elegant seat. Manufactured in cast aluminium with timber slats, the Phoenix has been ergonomically designed to give a comfortable seating position.

All seats have been designed to give optimum strength and durability. The Phoenix is made of the highest quality imported Kwila, suitably seasoned and treated with three coats of hardwood oil for durability and enhanced natural appearance.

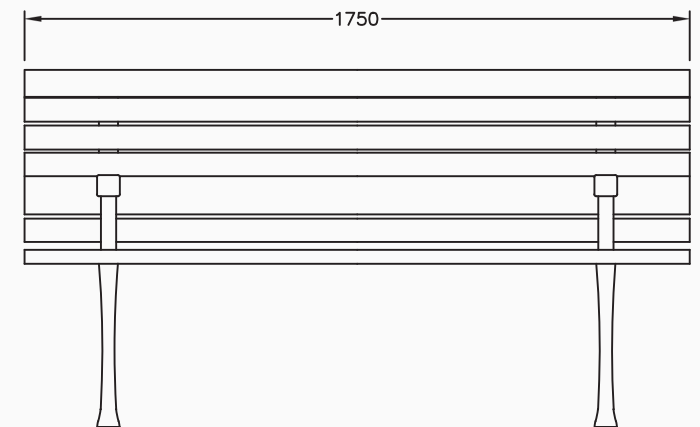

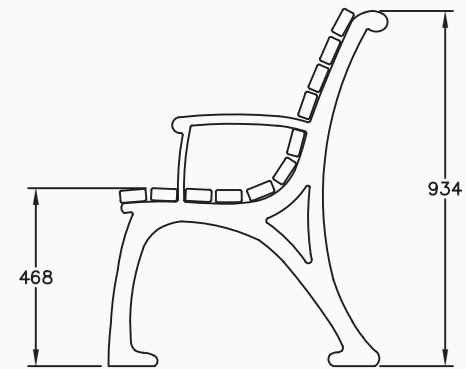

It can be tailor made to suit your individual requirements. The standard model is 1750mm long but we can manufacture to any specifications.
